

Top Tips

How to find out your instrumental lesson times:

- You will be added to the teams group 'SPWT Instrumental lessons'
- Go to Main channel → General → shared and the timetables will be in a folder there
- They will also be on the boards by the practice rooms
- Please check these every week, as sometimes the times need to be swapped round
- Please arrive to your lesson independently, and promptly, with your instrument and your music ready

Form Times:

- You all have a regular tutor group as well as being part of KS3M.
- During tutor time, every day you come to 1.10 (KS3M) except on Tuesdays, when you have assembly. You will attend this with your other tutor group.
- Any lessons/PD sessions will be with your other tutor group.
- Support each other to catch up on work if you miss a lesson for something musical ☺

Communication:

- To get the most out of the programme, communication is key!
- If you need to change your lesson time, please speak to Mrs Miara or Mr Wordley, or email ZMiara@spwt.net at least 48 hours before your lesson
- If you have a clash or need to miss a rehearsal, please speak to us as far in advance as possible. We will always do our best to support you, but things are very hard to resolve if we don't know about them until on the day!
- If you receive a letter about an opportunity, please return the permission form promptly. If for whatever reason, you are unable to take up the opportunity, please speak to us about this.
- For catch up work, the best thing to do is email your teacher after the lesson to ask for the work. If you need support with this, we are always happy to help – please just ask.

Music Scholarship Handbook

ACCESS, ACHIEVEMENT, ASPIRATION

“To provide access to high-level music education for talented and committed students, whatever their background or prior opportunity.”

St Paul's Way
Music Department

Core components of the scholarship across all year groups

- Free instrumental tuition on two instruments
- Orchestra, choir and ensemble training
- Priority access to trips and workshops
- Drumworks – group Samba drumming lessons
- Priority for performance opportunities – both internal and external – 5+ across the year, including at least one solo recital slot
- Preparation and entry for ABRSM/Rockschool/Trinity exams
- Involvement with professional partners including Voces8, LSO, Wyatt Sinfonia
- Community outreach experience eg performances at the Royal London Hospital and leading workshops in local primary schools

Key Stage 3 (Year 7-9)

- KS3M Music Scholar Tutor group
- Training in aural skills, composition, theory and conducting
- Mentoring

Key Stage 4 (Year 10-11)

- Focus on developing GCSE Music key skills
- Involvement in leadership development projects with Voces8 and World Heartbeat Foundation
- Support with post-16 applications

Key Stage 5 (Y12-13)

- Opportunity to study A Level Music, tailored to genres of choice
- Leadership and mentoring opportunities
- Support with higher education applications

Expectations of Music Scholars:

How to make the most of the scholarship opportunities

For the opportunities offered to have maximum impact on musical development, we ask our scholars to commit to:

- Weekly attendance at orchestra and choir
- Uptake of additional opportunities offered
 - Regular individual instrumental practice
- Punctual attendance to all instrumental lessons
- Being a role model in rehearsals to other students
 - In most cases, taking GCSE Music
