Sports Premium Strategy Statement

2018/2019

Executive Summary

St Paul's Way Foundation School is committed to providing effective resources and activities to raise the profile of sports and healthy living in the school and to ensure more pupils are engaging in active and healthy lifestyles. This document details the spending of the Sports Premium Grant in 2018/2019 and our aims in planning this spending.

Academic Year	2018/2019	Total Budget	£17,410
----------------------	-----------	---------------------	---------

Typical challenges faced by pupils at SPWF

- I. In Tower Hamlets, 22% of 4-5year olds are over-weight or obese, this increases to 42% for 10-11year olds. (Public Health England, National Child Measurement Programme, 2019)
- II. At St Paul's Way Foundation School 18% of 4-5year olds are overweight or obese. (Public Health England, National Child Measurement Programme, 2019)
- III. Tower Hamlets is a very built up borough, with limited access to high quality, outdoor play spaces (www.towerhamlets.gov.uk > health and social care > public health > healthy eating, active lives: children)
- IV. Due to population growth, the amount of outdoor space per resident in Tower Hamlets has reduced in recent years (Tower Hamlets, Parks and Open Space Strategy 2017-27)
- V. Tower Hamlets has a significant problem with over-crowded housing - 7,078 households (London Borough of Tower Hamlets, Housing Evidence Base, November 2016)
- VI. There is also evidence of widespread micronutrient deficiencies e.g. Vitamin D which is mainly due to lack of exposure to sunlight (Tower Hamlets Health and Wellbeing Strategy 2017-2020)

Evaluation Criteria

- I. Pupils are actively engaged in a range of high quality sporting activities
- II. Pupils experience a variety of different sports activities
- III. Pupils enjoy participating in active sessions at school
- IV. Pupils have a good understanding of how to be healthy
- V. Parents have had opportunities to develop their understanding of healthy lifestyles

1. Key Objective: High Quality Curriculum PE Lessons

Aim:

To improve the quality of curriculum PE lessons delivered by non-specialist staff from the Foundation School and Specialist Teachers.

Rationale:

By offering additional training and planning resources to staff the quality of PE teaching will improve and thus pupil outcomes and enjoyment will be improve.

Actions:

- Purchase of a new high quality scheme of work for use in lessons taught by non-specialist teachers from the Foundation School, 'Real PE' from Create Development
- Training for Foundation School non-specialist teachers in the implementation of a new scheme of work, 'Real PE' from Create Development.
- Tennis training for non-specialist teacher (via Greenhouse Sports)
- Swimming lessons with specialist swimming teacher (Y1,Y2,Y3,Y4)

Costs Incurred

£5080.00

2. Key Objective: High Quality Curriculum Enrichment Activities

Aim:

To offer a range of additional sports opportunities to all pupils, within the school day, to enhance their experience of sports in school.

Rationale:

By giving children a broader range of activities, beyond those prescribed by the national curriculum, children will have a broader understanding of physical activity and be more likely to enjoy and participate in physical activities.

Description of intervention:

- Specialist teaching days where, across the course of a day, children are able to try out a non-traditional sport (Circus Skills, Dance).
- Greenhouse Sports Tennis Coaching

Costs Incurred

£2093.00

3. Key objective: High Quality Out of Hours Activities

Aim:

To deliver a broad range of out of hours physical activities

Rationale:

By offering a broad range of physical activities after school we hope that many children will engage in physical activities, beyond those provided within the school day for all children.

Actions:

- School staff working additional hours to deliver sports clubs (e.g. Y1&2 football, Y3&4 football)
- Specialist staff delivering sports clubs (e.g. YR-4 fencing, YR-4 multi-sports)
- Lunchtime activities leader facilitating sports activities (Y1-4)

Costs Incurred

£8498.80

4. Key Objective: High Quality Information for Parents and Pupils

Aim:

To inform parents and pupils about healthy living and active lifestyles in a range of ways.

Rationale:

By educating and informing parents we hope the families will make long-term, positive changes to their life-styles, adopting healthier eating habits and doing more physical activities.

Description of intervention:

- Information about local, out of school physical activities shared with parents in the newsletter.
- Parent and pupil workshops (internal and external providers)
- Parent and child sports and healthy living club
- Joint project with Sustrans encouraging cycling
- Pupil workshops from A-Life

Costs Incurred

£549.00

5. Key Objective: High Quality Spaces, Equipment and Resources for Pupils

Aim:

To enhance the physical activity spaces, equipment and resources available for children to use, to enhance their experience and encourage increased participation.

Rationale:

Where children are able to take part in physical activities in engaging spaces, using varied and attractive equipment, this will enhance their experience and make them want to participate in further activities.

Actions:

- Purchase of additional gymnastics equipment for the new South Wing Hall
- Purchase of additional PE equipment for class lessons
- Purchase of specialist equipment for clubs
- Purchase of additional equipment to encourage children to participate in physical activities at playtimes
- Purchase of additional equipment for sports day to enhance children enjoyment

Costs Incurred

£ 3502.55

Summary of Spending 2017-18

Original PPG Budget	£17,410.00
Total Expenditure to date	£19,723.35

N.B. As a new and growing school, we do not yet have Year 6 children to report the % of children who can swim 25m unaided.
