

St Paul's Way Careers Programme 2026-27

To **TRANSFORM** learners through a series of entrepreneurial programmes and classroom careers learning that encapsulates the importance of subject learning and its relation to the global labour market.

To **INSPIRE** learners through both subject specific and broader mentoring, as well as engagement with external providers.

To **SUCCEED** by embedding strategies that focus on pathways and the learner’s future in the labour market such as, interview preparation, pathways mentoring and work experience.
