Physical Education- Wet/cold Weather Information

Dear Parent/Career

Physical activity is a vital part of students' health, and we try to minimise the disruption of PE lessons as much as possible. We understand that during the winter months the weather can sometimes be cold and/or wet, and we therefore use our indoor spaces whenever we can. However, this is not always possible, especially during the exam seasons when the sports hall is out of function. Therefore, lessons sometimes need to continue outside even in wet/cold weather.

Please support by ensuring that your child has their correct PE kit for lessons: SPW branded PE top, Plain Black shorts/bottoms, socks, Hats and Gloves and SPW branded jumper or plain black jumper with no hood. These can all be purchased from Khalsa school wear or other retailers.

We understand that the school jumper is not always waterproof and, are now happy to inform you that a new SPW winter waterproof jacket is now available to purchase at Khalsa school wear: https://khalsaschoolwear.co.uk/product/rain-jacket-7/?aw_school=31028. This jacket will ensure that your child is protected from the rainfall as much as possible.

We encourage you to take advantage of this and to purchase this SPW waterproof jacket for your son/daughter to wear during the wetter seasons. This will be an excellent option for your child and will minimise disruption to lessons**.** There is an option for parents to purchase their own winter waterproof jackets however it must follow the same design as the one on this letter e.g. plain black, no sports branding/advertising. Please be aware if they attend PE lessons with an incorrect rain proof jacket, they will not be allowed to wear it and will be asked to remove it.

Thank you for your cooperation and support.

Yours sincerely,

Mr B Winter
Director of Sport
