Dear Parent/Carer and Student,

RE: Assessment Record for A-Level Teacher Assessed Grades

Well done on your effort and perseverance with the internal exams. These exams are now being marked and will help the school determine a grade for each of your subjects.

We would like to keep you informed about which pieces of evidence your teachers used, from across the course of study, to make their decision.

At the end of this letter, please see a record of all the assessments that your teachers will be using to determine a grade for you.

Please read this carefully. If you wish to raise any concerns about the evidence being used, for example, you were affected by illness during an assessment, you can complete the form via the following link:

https://docs.google.com/forms/d/12y1GgDm9XR0M5PcZpBgbQNMMyuQvpSLmnYMSiNdY_aKA/edit

The information you provide will be taken into consideration during the grading process. Your teacher and the school will make the final judgement about what evidence is to be included. This is not a negotiation and we will not be communicating further with you if you complete the form. We ask that you trust the grading system and be reassured that we are following national guidance.

Your teachers are not permitted to let you know the grade they have submitted to the exam board.

Further guidance on this can be found here:

I wish you all the best with any remaining assessments and the post-exams programme.

Yours faithfully,

Miss Fatima Johura
Deputy Headteacher
