6th October 2022

Dear Parent/Carer,

Re: Ofsted visit to the school 29th & 30th September

I write to thank you for your support during the Ofsted inspection which took place at the end of last week. This was a through-school inspection, covering nursery to Sixth Form. Thank you for all the positive feedback that parents provided through the survey and conversations with inspectors.

We are very pleased with the feedback from the inspectors regarding the quality of our provision, and the conduct of our students. I have included a few key points below as shared by the inspectors during their visit:

- The school has a strong culture of safeguarding, which is effective and compliant with all statutory requirements
- The school has an ambitious curriculum for all learners including those with Special Educational Needs/Disabilities (SEND)
- There is an ambitious and strong offer for the Sixth Form. VI Form behaviour is exemplary.
- Outcomes are strong for pupils and destinations impressive
- Reading is prioritised and provision is excellent from nursery to VI Form
- The school has an excellent learning environment, which is safe and purposeful
- Student behaviour is exemplary, respectful and engaged, with very positive relationships between students and staff
- Bullying is rare and dealt with effectively when it does happen – students reported the school is a caring and friendly place
- Attendance to school is high, indicating strong commitment to learning
- Pupils shared they are proud of their school
- The school has a strong and varied offer of enrichment
- The Personal Development offer is strong and effective
- The careers support is of an excellent standard
- Staff are well supported, including staff who are new to teaching
- There is a strong and effective model of governance in place.

We are very proud of all our students, who, as usual, were exemplary during the inspection visit. Inspectors were very impressed by how confident, articulate and engaged our students are, and commended them on their conduct over the two days. We also commend our staff whose dedication and expertise is instrumental in generating this environment.

The inspectors will share the full inspection report in the coming weeks, we will publish this on our school website once received.

Thank you again for your support of the school.

Yours sincerely,

Firdusi Uddin
Head of School (Secondary & Sixth Form)
