RE: Early Dismissal for Study Periods 5&6

Dear Student and Parent/Carer,

As part of our commitment to nurturing independence in our year 12 students ahead of them moving into year 13, from tomorrow, students timetabled to have a study period 5&6 (1:40pm – 3:30pm), **will have the option to leave school site early**. This applies to all year 12 students until the end of the academic year.

The sixth form team reserve the right to ask students to remain on-site based on behaviour, attendance or academic concerns at any time. **Students who have an afterschool commitment at school such as a see me or central reflection, must return to site at 3:30pm.**

I encourage students to think carefully about how the 100 minutes off-site can be utilised productively. For example, this could allow time for:

- learning in an alternate setting such as a tutoring centre, at home or a local library
- partaking in a placement that supplements personal statement writing or the preferred post-18 pathway choice

If you have any questions, please do not hesitate to contact the sixth form team or Miss Christou directly on the contact details below.

Yours Sincerely,

Athina Christou, *Year Team Leader for Year 12&13*
