Dear Parent/Carer,

Re: Year 7 Set Texts

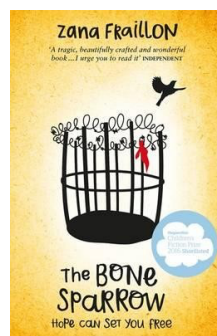

Over the course of their time at SPW secondary school, your child will read a range of high-quality literature as part of their English studies. Often, your child will be asked to read parts of these texts, independently, at home to ensure lesson time is spent on discussion, commentary and analysis. We provide each child with a copy of these texts, and each book is wrapped in a plastic book protector. It is your child's responsibility to take good care of the book and return it in excellent condition at the end of a unit.

Over the course of the year 7, your child will be responsible for their allocated copy of the following books:

Lark by Anthony McGowan
(Oct-Nov 2025)

The Bone Sparrow by Zana Fraillon
(Nov 2025 - Jan 2026)

These texts must be returned in excellent condition when requested by the class teacher. If, for whatever reason, the book(s) is lost or damaged, we will require payment for the book to be replaced.

We appreciate your ongoing support in building a positive reading culture.

Yours faithfully,

Ms. N Mizan
Subject Leader KS3 English
