

1st February 2021

Dear Parent/Carer,

**Re: new Google Classrooms**

I hope that you and your family are well and safe. As part of our update to Google Classroom, our new Classrooms have gone live today. Your child will notice the following changes when they log on this morning:

- New Google Classrooms: there is a new Google Classroom for each subject. Student work will from now on be published in these Classrooms. The previous Classrooms will still be available so that students can access any previous work.

As per normal, students will be told their subjects for the day in the Year Team assembly, and then complete the work in their new Classrooms.

If the work is not available at 9am, please bear with us as we ensure that everything is in place. If you are still experiencing any problems by 10.30am, do please contact the school office.

Thank you and best wishes,

Olivia Sanchez  
Deputy Headteacher (Quality of Education)
