Student Welcome

Our current Year 7 pupils would like to welcome you to St Paul's Way Trust School.

Hello Year 6! Welcome to St Paul's Way Trust School. Do not worry about moving to secondary. The teachers are very supportive with your learning and the after-school clubs are incredibly fun. My favourite subjects are Art and Drama. St Paul's Way is a very warm welcoming school and fun environment to make friends and to learn. - Brea Arcino

In St Paul's Way Trust School, it's just like your Primary, but even more fun. We have lots of clubs, like football, basketball and other sports and we do practical experiments in Science. There is also very tasty food. You might feel nervous like I did, but you will be fine, because you are welcome! - Mane Djassi Camara

Hello Year 6. I'm Ishrath Haque and welcome to SPWT. Don't feel worried about starting secondary school, it's really fun! There are so many clubs, and the teachers are very nice! Music is my favourite subject; most events happen linked to that subject, like concerts and shows. I was worried that I wouldn't make any friends, but I ended up making a ton! Stay happy, safe and good luck in SPWT! - From Ishrath

Hi, welcome to SPWT! I've heard that you're coming here! We would like to give you a warm welcome. Don't be worried about the big kids, if anything is wrong all you have to do is speak to someone. I'm sure that you will find a hobby in SPWT, there are many clubs and activities to join! In maths you'll be introduced to algebra which is like working out numbers. - Razin Saleh

Hi Year 6! Welcome to St Paul's Way Trust School! I'm sure you're probably nervous about starting Year 7, but don't worry. The teachers here are always there to support you through your transition from primary to secondary. I was anxious that I wouldn't make any new friends in Year 7 but all of the students are kind and welcoming and will support you. Good luck! - Ellen Bisset

Hi, welcome to SPWT! You will have a lot of fun. In Science you will get to do fun experiments. Geography you will learn about the world and exciting topics. Your teachers will be nice to you too. Don't be nervous, we are here to show you 'Aspiration, Integrity and Community.' We look forward to seeing you, have fun! - Yoonis Abdirashid
