

Dear Parent/Carer,

I would like to welcome you to the St Paul's Way Trust School family. We are very pleased that your child has joined our sixth form and has had a positive start to the new academic year.

By this point in the term, the sixth form team would, normally, have met and spoken with many of you on the first day of term and during meetings. This year, however, due to the current restrictions we have not been able to welcome parents on site. At St Paul's Way Trust School, we value our families and therefore we have created this webpage that will provide you with a wealth of information about our team and the high expectations we have for our students. I hope this page will also give you a flavour of how our Year 12 students have been settling in.

St Paul's Way Trust Sixth Form is committed to our school vision and we look forward to seeing your child make it a reality. Our vision is to provide a transformational education for our young people and we expect each of our graduates to become fully prepared for the opportunities and the demands of the adult world. For our sixth formers, this encapsulates the following:

- Being knowledgeable, active and positively competitive and that students' literacy and communication skills will allow them to use their knowledge and experience to influence others and excel in everything they do
- Students transform into role models; this should be apparent in every area: excellent attendance and punctuality, exemplary conduct and frequent achievements
- Leadership that includes taking part in, and supporting school events, extra-curricular activities and student voice. This extends to advocacy and actively seeking positive change
- Being ready and prepared for global citizenship - to understand finance, politics and have a yearning to explore the world.

I hope you will enjoy looking through the information and listening to our presentations. If you have any questions or require further information, please use the form at the bottom of the page. We will review these queries and update this page with a 'question and answer' sheet.

Thank you for taking the time to read and engage with this webpage.

Yours sincerely,

Miss Fatima Johura  
Deputy Headteacher
