

SPW6
ST PAUL'S WAY
SIXTH FORM
PART OF UNIVERSITY SCHOOLS TRUST

SPW6 Futures Programme

Preparing every student for ambitious futures.

What is the SPW6 Futures Programme?

The SPW6 Futures Programme ensures every student leaves sixth form academically successful, socially confident and fully prepared for ambitious next steps. Through four interconnected programmes, students develop the knowledge, skills and experiences needed to thrive at **university, apprenticeships, employment** and beyond.

Pathways Programme

Supporting students towards ambitious university, apprenticeship and career destinations.

Life Ready Programme

Developing essential life skills, wellbeing, financial literacy and AI awareness.

Above & Beyond

Extending learning beyond the classroom through academic enrichment.

Lead the Way

Building leadership, confidence and community contribution.

These four programmes ensure every student develops **academically, personally** and **professionally**.

Key Skills You'll Learn Within Each Programme

Pathways Programme

UCAS Support: Providing comprehensive and personalised support to ensure all students submit high-quality university applications.

Early Entry Strategy: Providing targeted preparation to enable successful applications to the most competitive university courses.

Apprenticeship Strategy: Providing high-quality advice and guidance to ensure students successfully secure competitive apprenticeship opportunities.

Work Experience: To develop all students understanding of career pathways and the skills required for future success.

Individual Pathway Guidance: Providing a clear and structured framework that ensures all students are guided toward ambitious and appropriate next steps.

Supporting every student to progress to ambitious destinations through expert guidance, preparation and real-world experiences.

Life Ready Programme

Personal Development Curriculum: A structure personal development curriculum that equips students with the knowledge and skills needed to make informed decisions.

NEW Financial Literacy: Providing a deep understanding for personal finance enabling students to manage money effectively.

NEW AI Strategy: Providing an understanding for AI to ensure students can confidently use these tools critically, safely and effectively.

Wellbeing Support: The promotion of positive mental health and wellbeing to ensure all students are supported to manage challenges.

Equipping students with the knowledge and skills needed to thrive as independent, responsible young adults.

Above & Beyond

Super Curriculum: Providing structured opportunities for students to engage with their subjects beyond the curriculum.

EPQ: To develop students' independent research, critical thinking, and academic writing skills through sustained, self-directed study.

Spring Speak Out: To develop students' oracy, confidence, and ability to articulate ideas effectively in formal and public settings, alongside strengthening their research skills and ability to work collaboratively as part of a team.

Inspiring intellectual curiosity and preparing students for higher education through academic enrichment.

Lead the Way

Aspire 7 Mentoring: Providing students with opportunities to support younger learners, developing leadership, communication and mentoring skills.

Science Summer School: Enabling students to deepen subject engagement and take on leadership roles in academic enrichment activities beyond the classroom.

NEW Reading Buddies: Developing students' sense of responsibility and contribution through supporting literacy development in younger students.

Lesson Mentors: Developing students' subject confidence and leadership by supporting teaching and learning within the classroom.

Student-Led Societies: Providing students with ownership of enrichment opportunities, fostering leadership, organisation, and collaboration skills.

Social Action Projects: Empowering students to engage with and positively impact their community through purposeful and meaningful projects.

Developing confident leaders who make a positive impact within school and the wider community.

Your future starts here.

Through the SPW6 Futures Programme, every student is challenged to achieve academic excellence, develop essential life skills and become a confident leader ready for the opportunities ahead.
