

## Student Entitlement Statement

All students at St Paul's Way Trust School are entitled to high quality careers education, information, advice and guidance. In school, we will provide you with a range of opportunities to:

- **Develop aspirations** through internal and external programmes and in-class learning.
- **Be inspired** through mentoring and engagement with external providers in the form of conferences, workshops and workplace visits.
- **Succeed** through work experience and preparation for your future beyond school.

Students are to develop and reflect on their goals and use information obtained through the careers programme to help them make decisions about their future pathways and destinations.
