Policy Aims and Ethos

This policy is based on DfE guidance “Preventing and Tackling Bullying” July 2017 and supporting documents. It also considers the DfE statutory guidance “Keeping Children Safe in Education” 2019 and ‘Sexual violence and sexual harassment between children in schools and colleges’ guidance. The setting has also read Childnet’s “Cyberbullying: Understand, Prevent and Respond: Guidance for Schools”.

Introduction

All staff and Governors believe that our Through School (3-19) will provide a caring, positive, safe and stimulating environment which promotes the social, physical and moral development of the individual child. The core expectations of behaviour (Be Ready, Be Safe, Be Respectful/Caring) alongside the six graduate strands (Communication, Investigation, Networking, Participation, Scholarship and Vision) play a crucial role in ensuring positive behaviour for learning, enabling all students to feel secure and safe to learn. Bullying will never be tolerated at St Paul’s Way Trust School and any cases of bullying will be treated very seriously.

- This policy outlines what SPWT/SPWF will do to prevent and tackle all forms of bullying
- The policy has been adopted with the involvement of the whole school community
- SPWT/SPWF is committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form.

Links to Legislation and Guidance Documents

This should be read in conjunction with other policies, particularly

- safeguarding (child protection)
- Behaviour for learning policy (expectations, rewards, sanctions, expectations on the use of mobile phone)
- Home-school contract (responsibilities of the school, students and parents)
- Equalities statement (prejudice related crime)
- E-safety (cyberbullying)
- PSHE (prevention and curriculum).

Links to Legislation

There are several pieces of legislation which set out measures and actions for schools in response to bullying, as well as criminal and civil law. These may include (but are not limited to):

- The Education and Inspection Act 2006, 2011
- The Equality Act 2010
- The Children Act 1989
- The Education (Independent School Standards) Regulations 2014 (*if appropriate*)
- Protection from Harassment Act 1997
- The Malicious Communications Act 1988
- Public Order Act 1986
- DFE Guidance on Preventing and Tackling Bullying 2017.

Roles and Responsibilities

These are in line with the Home- School agreement, which students, parents and the School pledge to uphold at the start of each school year.

Definition of Bullying

Bullying can be defined as *“behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally”*. (DfE “Preventing and Tackling Bullying”, July 2017).

Bullying can include name calling, taunting, mocking, making offensive comments, kicking, hitting, taking belongings, producing offensive graffiti, gossiping, excluding people from groups and spreading hurtful and untruthful rumours.

This includes the same unacceptable behaviours expressed online, sometimes called online or cyberbullying. This can include: sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.

Bullying is recognised by the school as being a form of peer-on-peer abuse. It can be emotionally abusive and can cause severe and adverse effects on children’s emotional development.

Bullying can include:

- Name calling
- Taunting/ mocking
- Making offensive comments
- Physical assault
- Taking or damaging belongings
- Producing offensive graffiti
- Excluding people from groups
- Gossiping and spreading hurtful and untruthful rumours
- Extorting money or items of value.

Dismissing any of these forms of behaviour as “banter” is not acceptable and will be dealt with as with any other form of bullying.

Cyberbullying includes the same inappropriate and harmful behaviours expressed via digital devices such as the sending of inappropriate messages by phone, text, social media sites and apps, and sending offensive or degrading images by mobile phone or via the internet.

Sexual harassment is unwanted conduct of a sexual nature which has the purpose or effect of violating a person's dignity, or creating an intimidating, hostile, degrading, humiliating or offensive environment for them.

Sexting is the exchange of self-generated sexually explicit images, through digital devices over the internet. It is illegal to send, store or distribute images and videos of a sexually indecent nature of anyone under the age of 18. Students are taught safe ways to use the internet (see e-safety policy) through assemblies, PSHE and the ICT curriculum. While most incidents of Cyberbullying and Sexting occur outside school we will treat these in the same way as any other forms of bullying.

Bullying can take place between:

- Young people
- Young people and staff
- Staff
- Individuals or groups.

Bullying is not confined to the school premises. Bullying may happen in the local community, on the journey to and from school, and at all times via digital devices.

St Paul's Way Trust School is a "telling" school. This means that anyone who knows that bullying is happening has a duty to tell a member of staff.

Why are People Bullied?

Bullying can happen to anyone. Specific types of bullying are:

- Bullying related to race, religion or culture
- Bullying related to SEND (Special Educational Needs or Disability including the use of disablist language)
- Bullying related to appearance or physical/mental health conditions
- Bullying related to sexual orientation (homophobic, biphobic bullying)
- Bullying of young carers, children in care or otherwise related to home circumstances
- Sexist, sexual and transphobic bullying.

Responding to Bullying

The following steps may be taken when dealing with all incidents of bullying reported to the school:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern. The member of staff will inform the Year Team Leader/Phase Leaders immediately for any further support
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate
- The Pastoral leaders (Phase Leaders/Year Team Leaders/Student Achievement Coordinators) or another member of leadership staff will interview all parties involved
- The Designated Safeguarding Lead (DSL) will be informed of all bullying issues where there are safeguarding concerns
- The school will speak with and inform other staff members, where appropriate.

- The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies
- Sanctions, as identified within the school behaviour policy, and support will be implemented in consultation with all parties concerned
- If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or other local services including early help or children's social care, if a child is felt to be at risk of significant harm
- Where the bullying of or by students takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated. If required, the DSL/member of the senior leadership team will collaborate with other schools. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with this policy and the school's behaviour policy
- A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.

Supporting Students

Students who have been bullied will be supported by:

- Reassuring the student and providing continuous pastoral support
- Offering an immediate opportunity to discuss the experience with their teacher, pastoral leader, the designated safeguarding lead, or a member of staff of their choice
- Being advised to keep a record of the bullying as evidence and discuss how respond to concerns and build resilience as appropriate
- Working towards restoring self-esteem and confidence
- Providing ongoing support; this may include: working and speaking with staff, offering formal counselling, engaging with parents and carers
- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this could include support through Early Help or Specialist Children's Services, or support through the Children and Young People's Mental Health Service (CYPMHS).

Students who have perpetrated bullying will be helped by:

- Discussing what happened, establishing the concern and the need to change.
- Informing parents/carers to help change the attitude and behaviour of the child.
- Providing appropriate education and support regarding their behaviour or actions.
- If online, requesting that content be removed and reporting accounts/content to service provider
- Sanctioning, in line with school behaviour policy; this may include warnings, detentions, removal of privileges (including online access when encountering cyberbullying concerns), and fixed-term or permanent exclusions
- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this may include involvement from the Police or referrals to Early Help, Specialist Children's Services, or the Children and Young People's Mental Health Service (CYPMHS).

- Advising them to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience, as appropriate
- Where the bullying takes place off school site or outside of normal school hours (including online), the school will still investigate the concern and ensure that appropriate action is taken in accordance with the schools' behaviour and disciplinary policy
- Reporting offensive or upsetting content and/or accounts to the service provider, where the bullying has occurred online
- Reassuring and offering appropriate support

Adults who have perpetrated the bullying will be helped by:

- Discussing what happened with a senior member of staff and/or the Executive Headteacher/Headteacher to establish the concern
